WHEREAS, a 16" water main was extended in St. Martins Drive per City Project No. DEV16-1299; and

WHEREAS, the City's engineering staff has identified the total area that will benefit from construction of this water main, as shown on Exhibit A, which has been attached hereto and incorporated herein; and

WHEREAS, the City's Public Works Director is recommending the cost to construct this main be paid by the properties which will benefit from its construction prior to such properties being served by the City's water utility; and

WHEREAS, the City Council, having considered the recommendation of the City's Public Works Director and having made such investigation as it finds necessary, determines that it is in the best interests of the City and its water utility that the owners of properties within the benefiting area should pay their proportionate share of the cost to construct this project on a per-acre basis.

NOW THEREFORE, BE IT RESOLVED, by the City of Rapid City, that prior to being allowed to connect to the City's water system, the owners of property in the benefiting area shown in Exhibit A shall be required to pay a proportionate share of the cost of constructing the 16" water main shown in City Project No. DEV16-1299.
