MEMORANDUM

TO: Dan Coon

FROM: Jennifer Davis

SUBJECT: Krebs Drive Water Main Extension

DATE: 11/21/2007

During the development review period for the Krebs Drive Water Main Extension (Dev94-198), the City identified water mains required to service the surrounding area that needed to be oversized. The developer installed a 10" water main as requested by the City. The cost of this improvement was \$805.16. This cost will not cover the administrative costs to establish and collect this fee. Therefore, the decision was made by City staff not to pursue the collection of this fee.
